

# Annotations

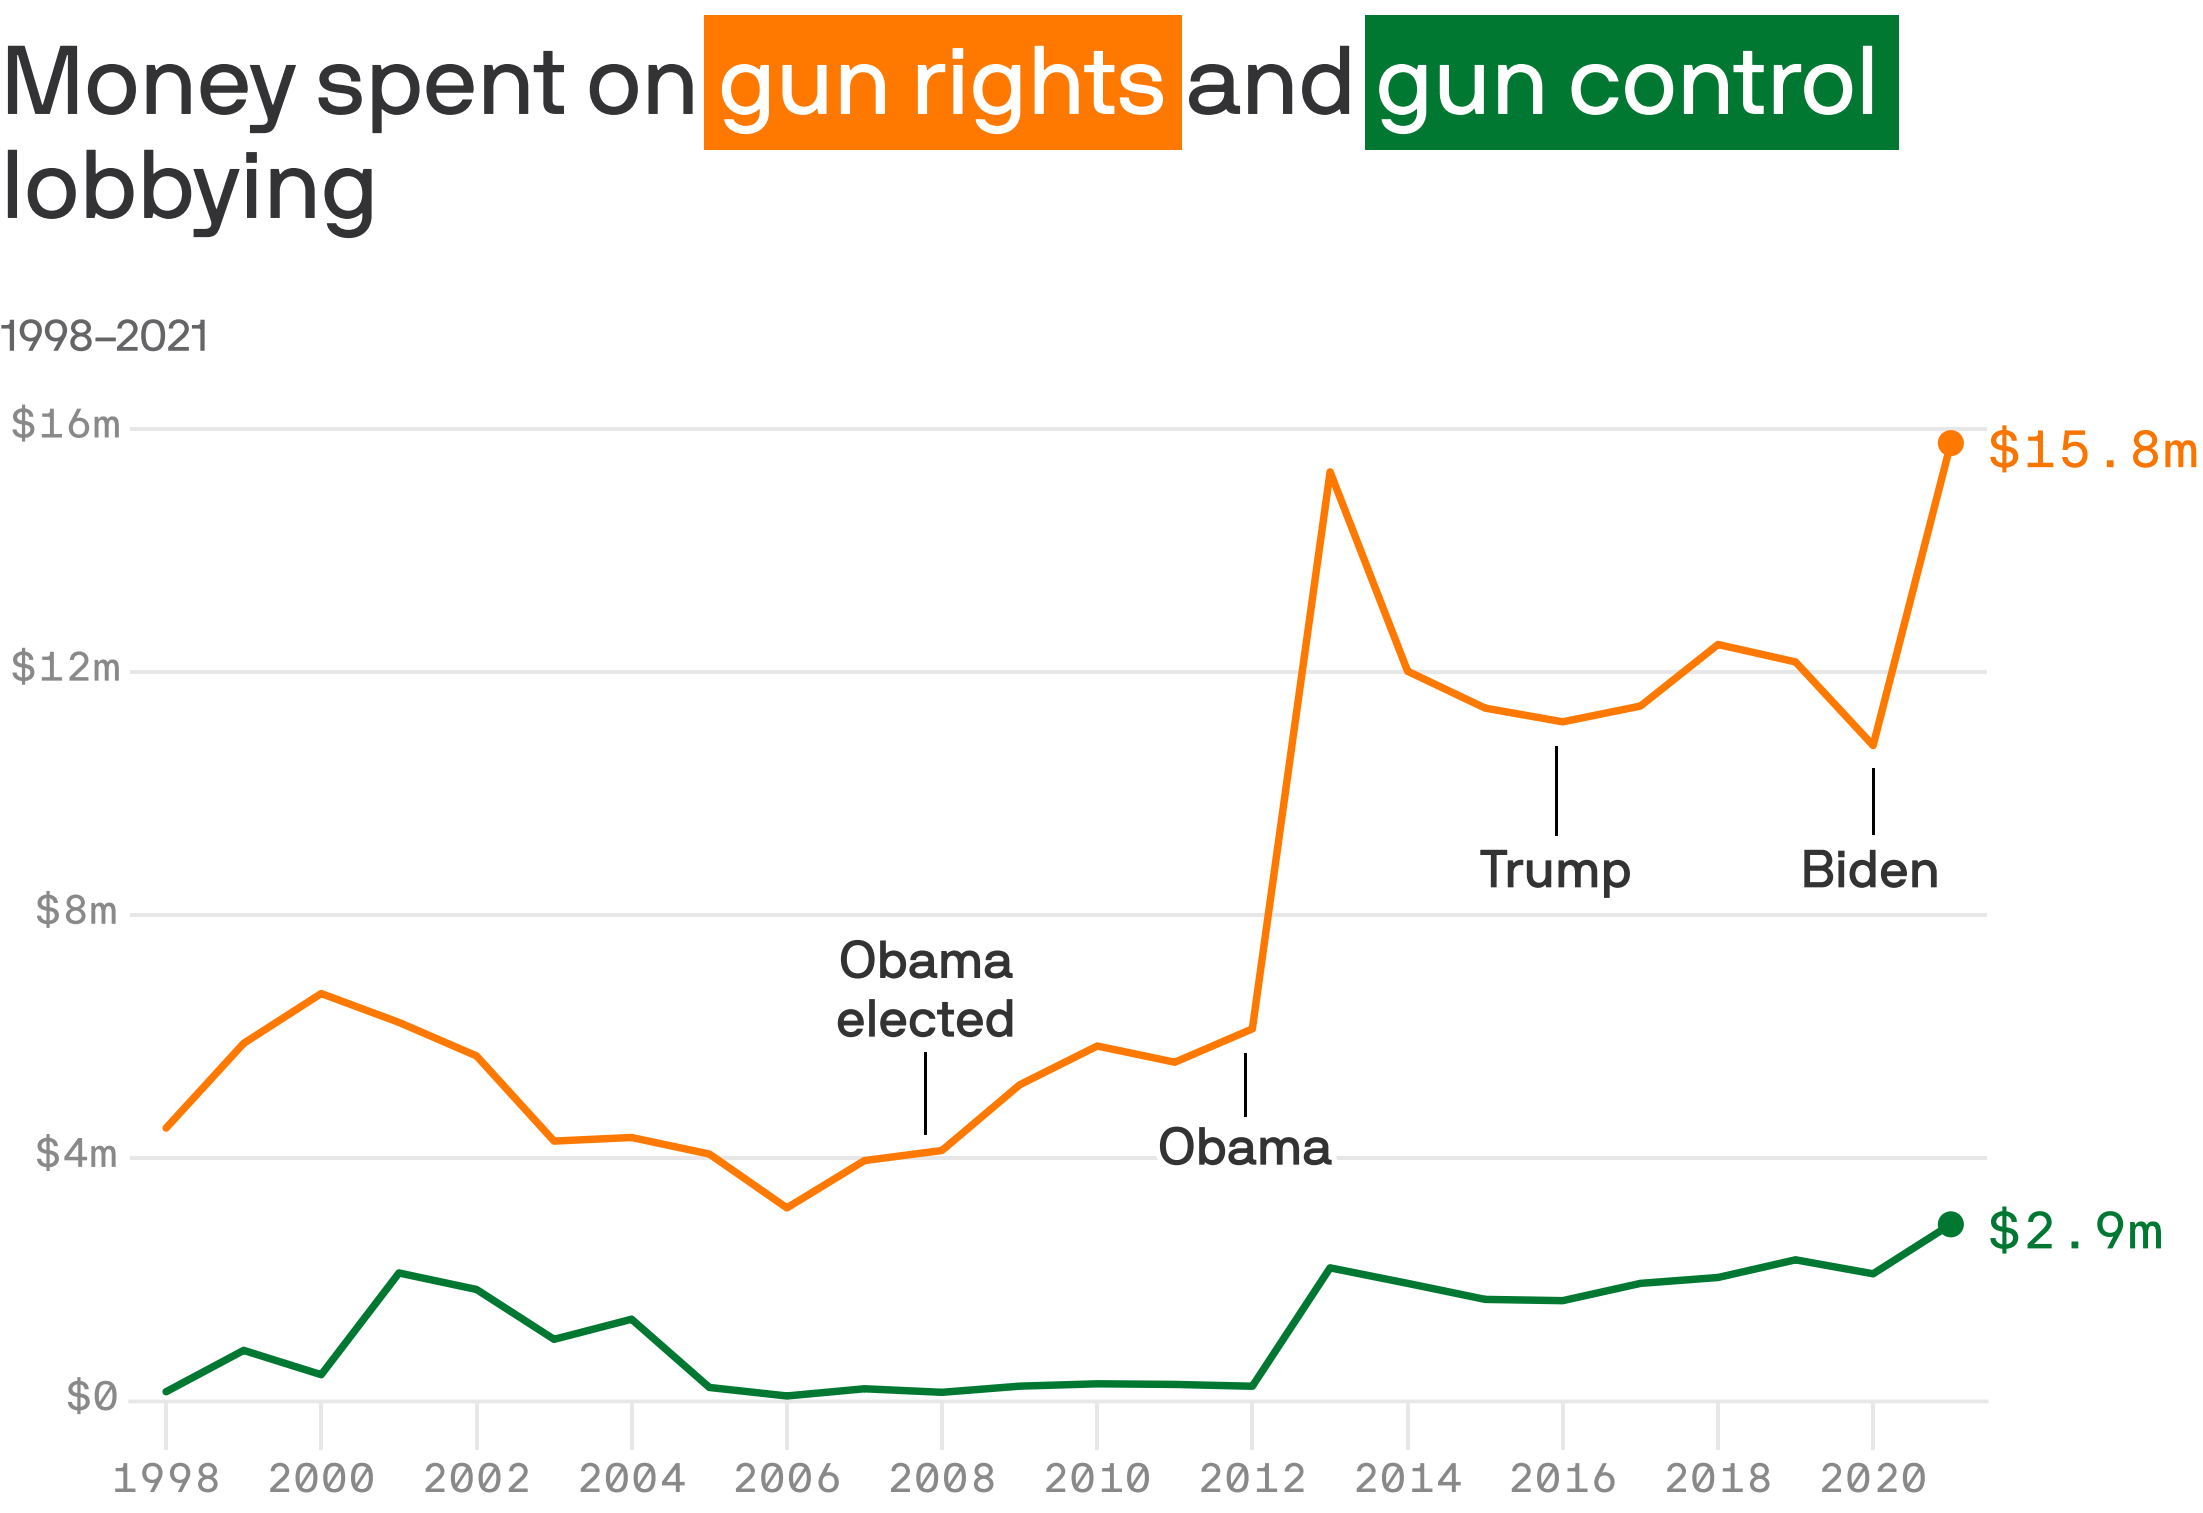

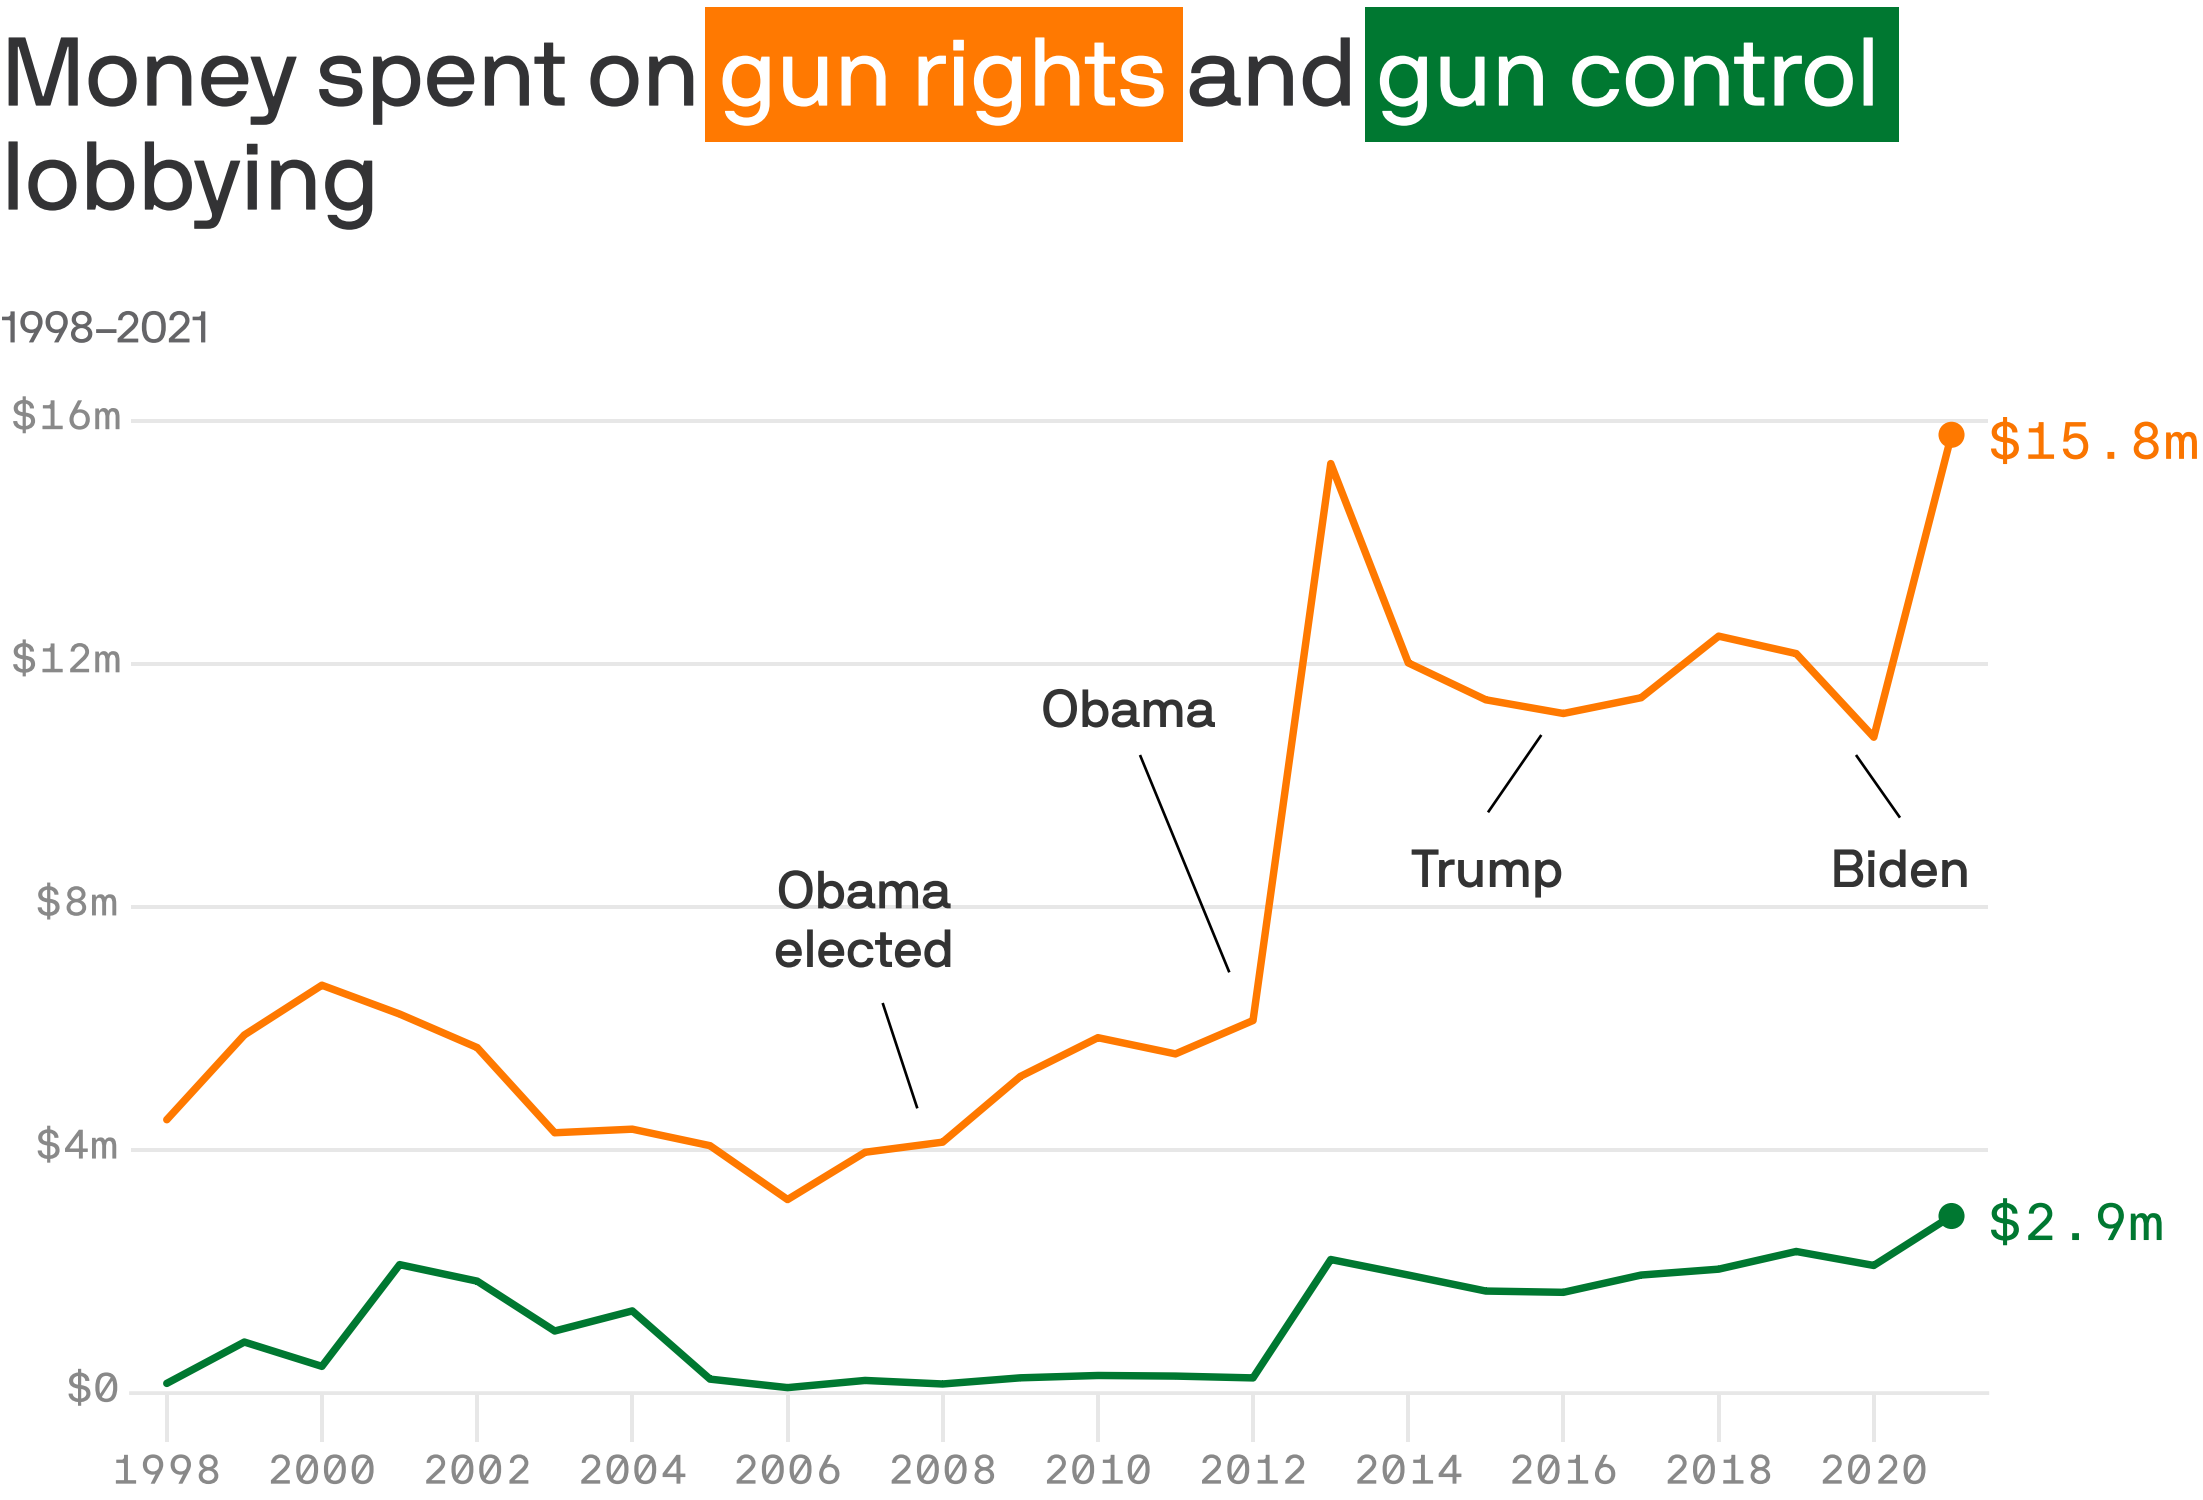

# Excess deaths in red states vs. blue states

Deaths per 100k people; March 7, 2020, to March 5, 2022; States with a 15 point or greater margin in the 2020 presidential election

Data: Axios analysis of [CDC](#) data; Chart: Will Chase/Axios

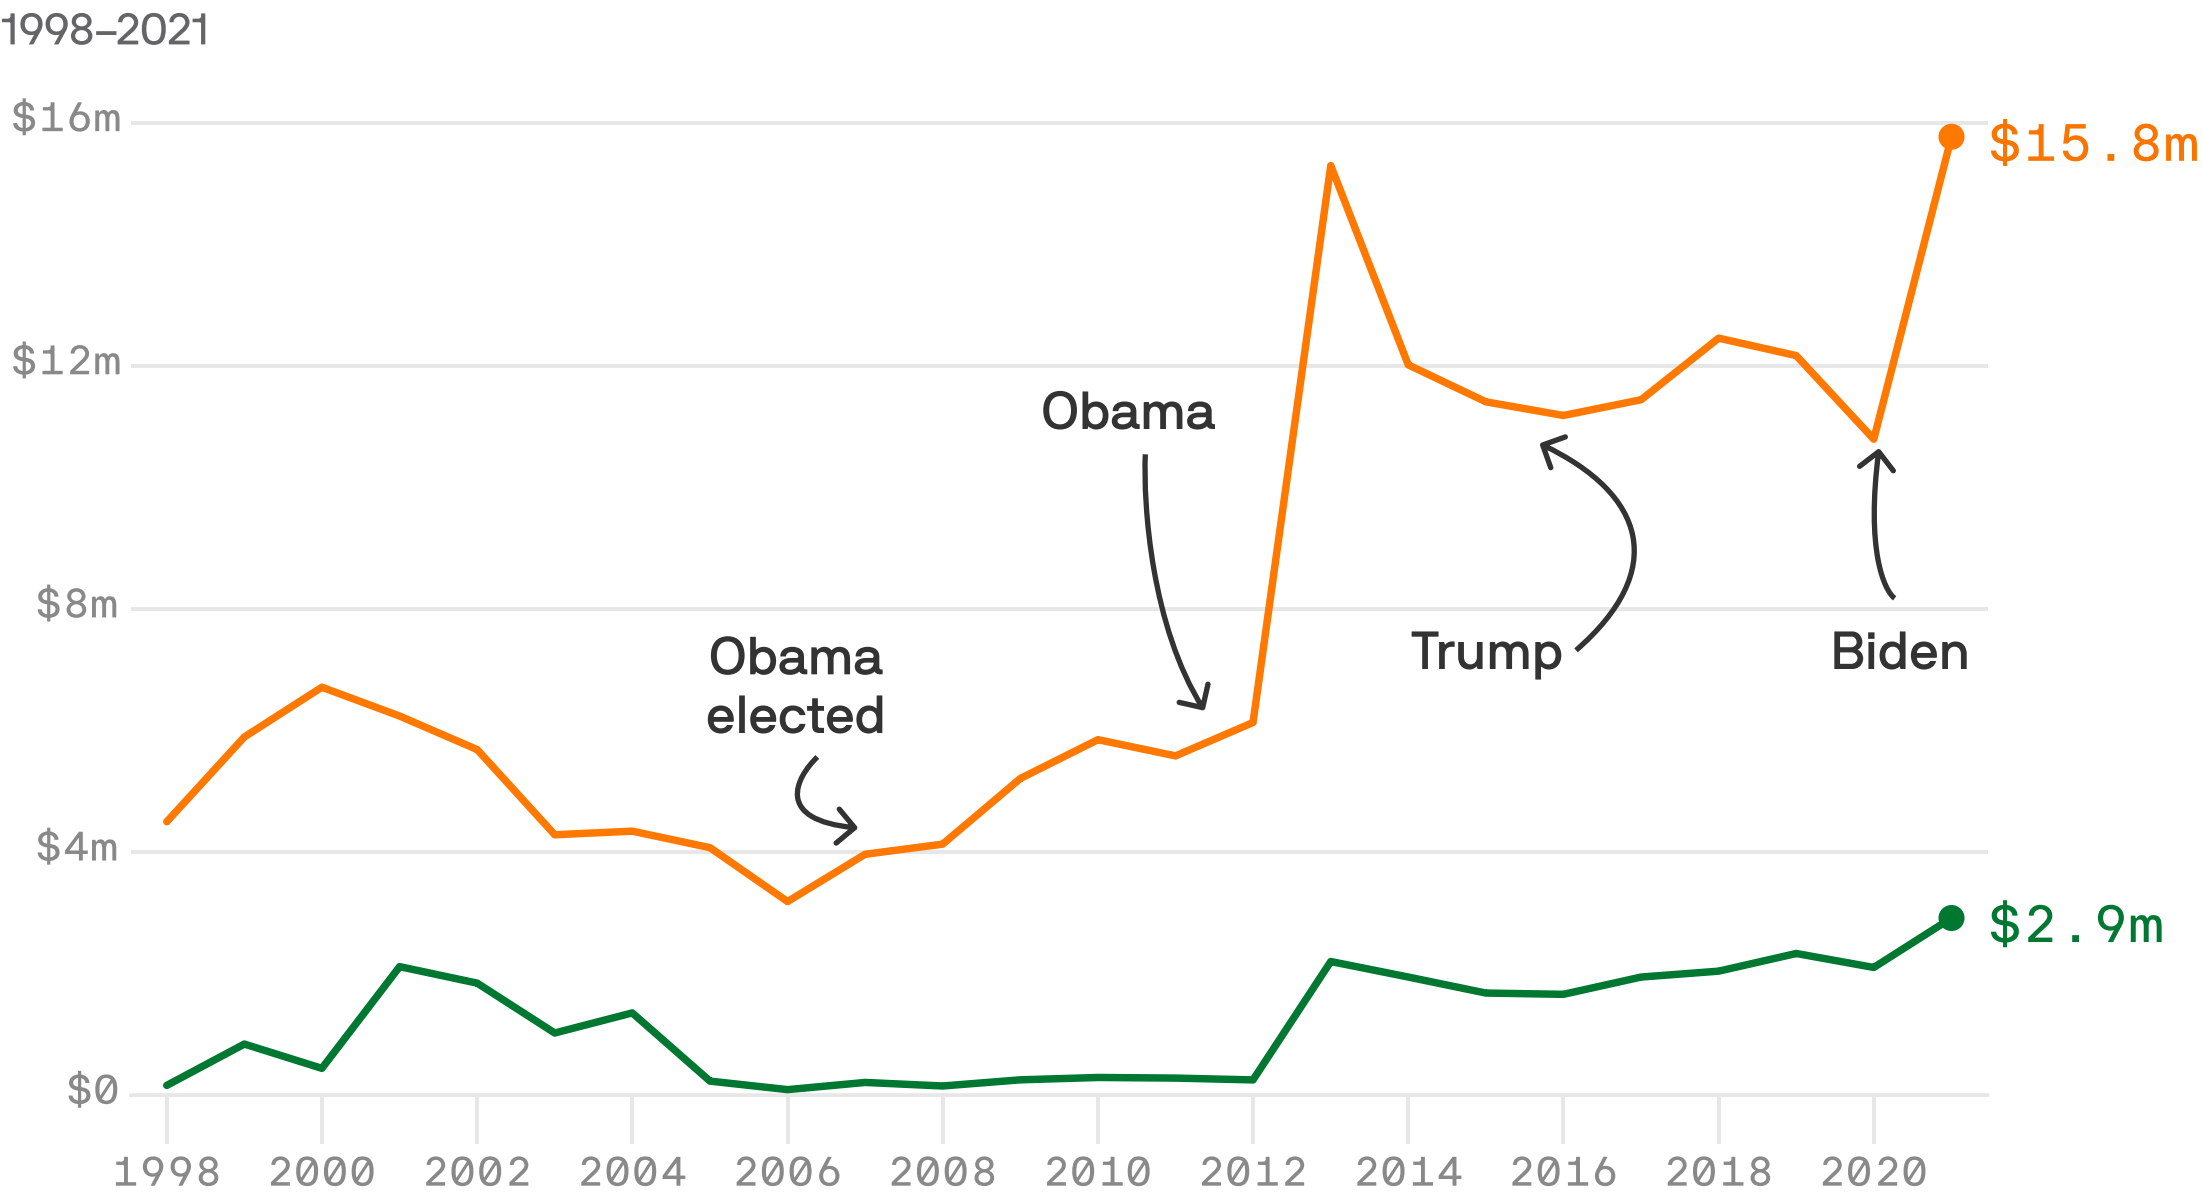

# Tip #1: If using straight lines, make them 90 degree angles

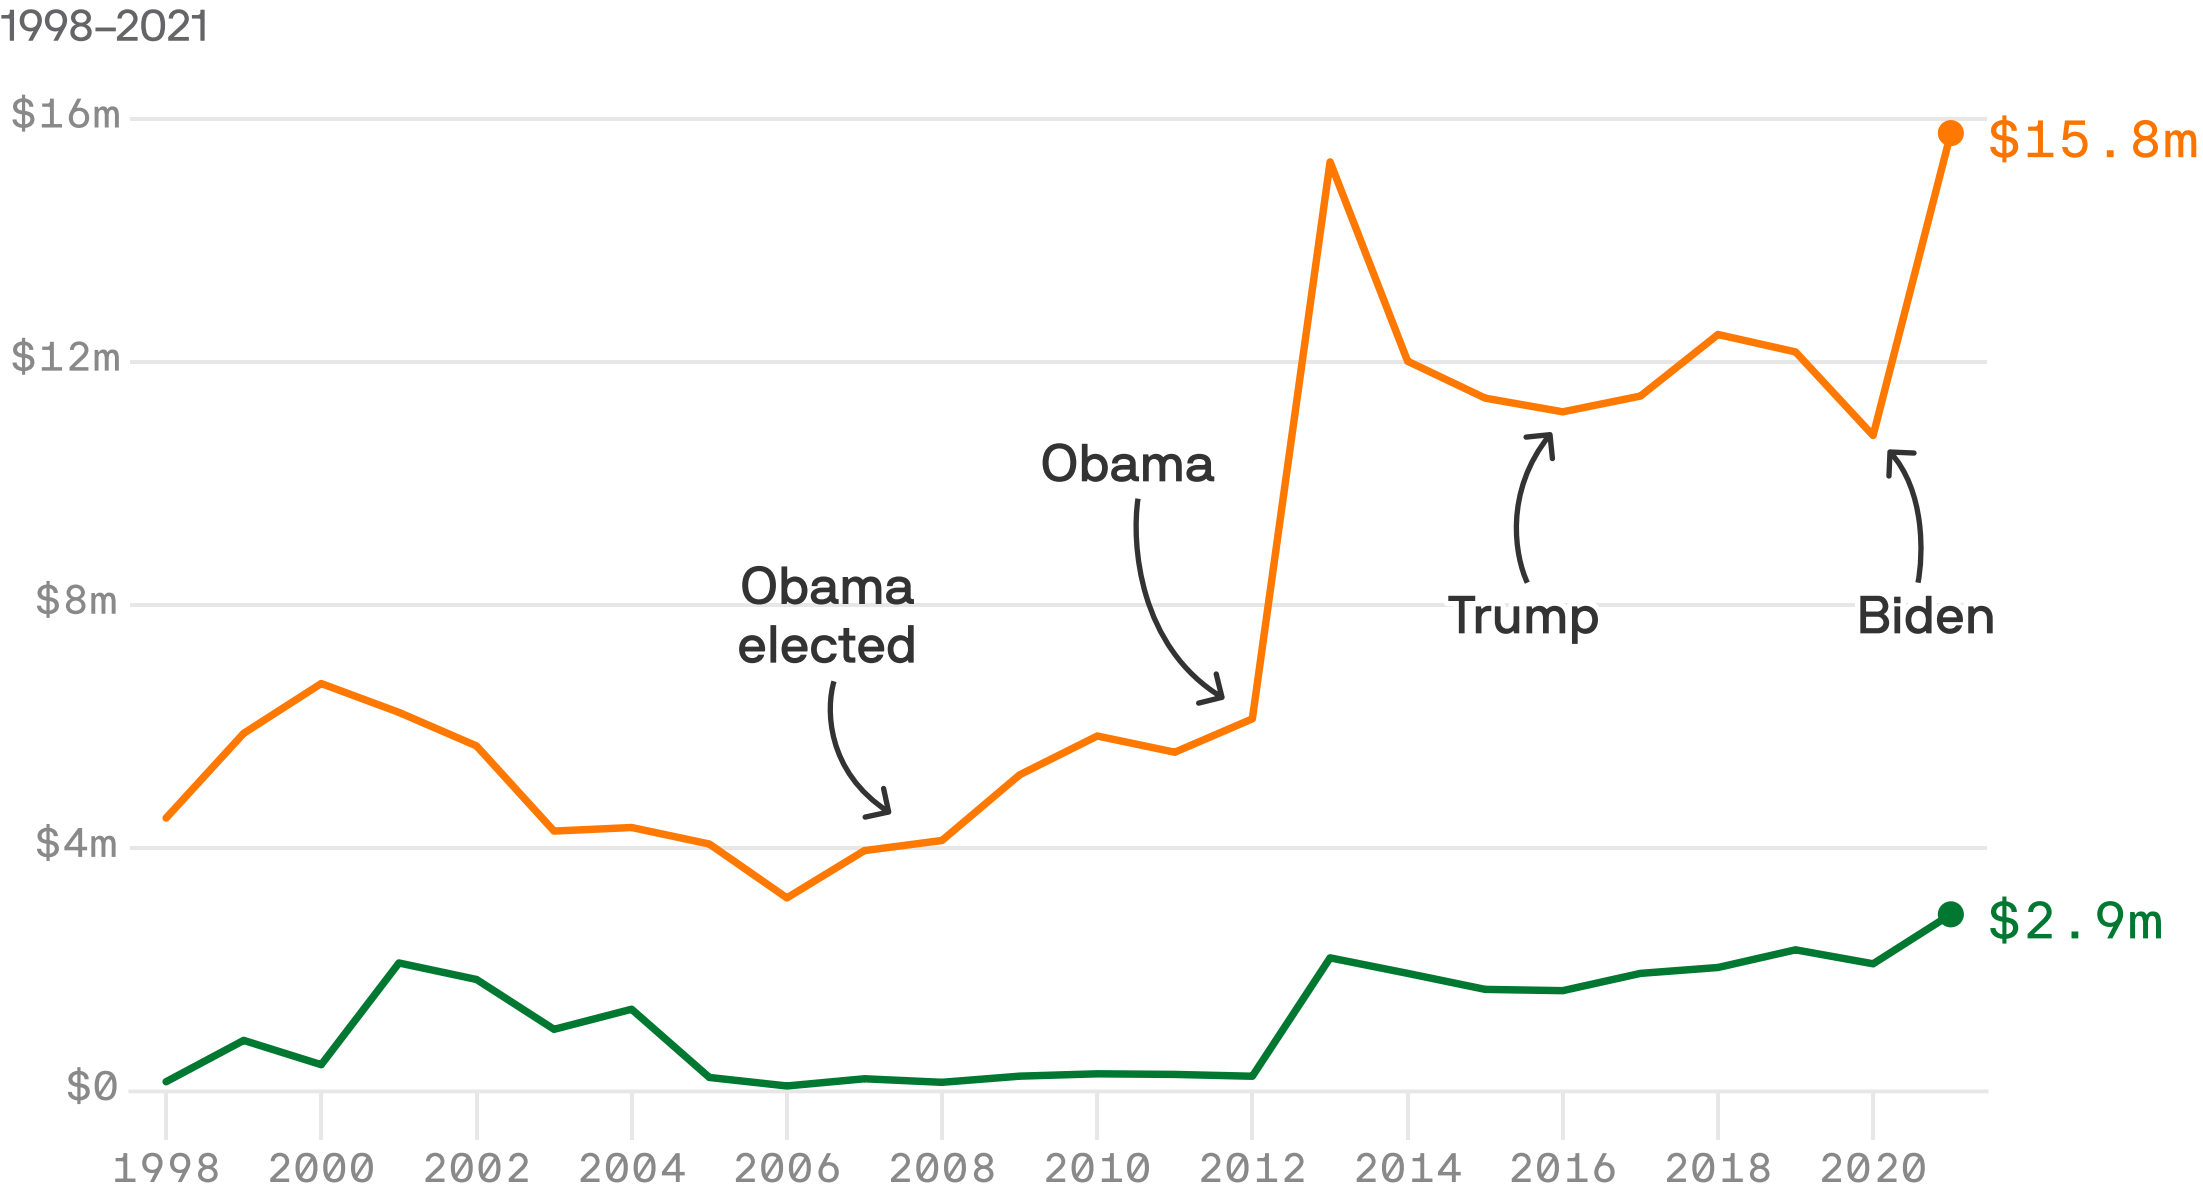

# Tip #2: Try to keep arrow “swoopiness” consistent

Money spent on **gun rights** and **gun control** lobbying

Money spent on **gun rights** and **gun control** lobbying

# Tip #3: Consistent spacing between annotations and arrows/lines
