

White Space

White space is like garlic; take the amount you think you need, then **triple it.**

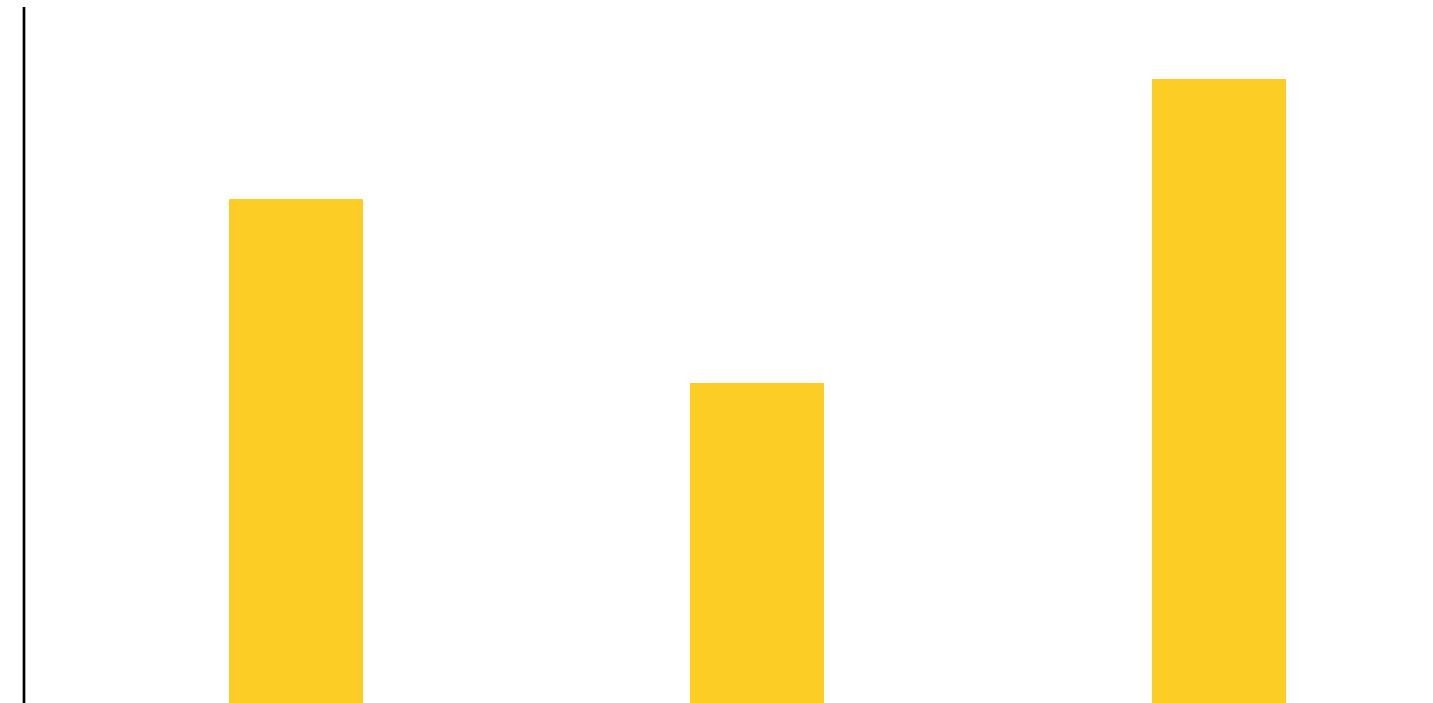

A chart title

And this is a subtitle

And this is a subtitle

A chart title

And this is a subtitle

A chart title

Small multiple 1

Small multiple 2

And now, above and below a **HEADING**, as a form of emphasis. To show you what I mean, let me ask you something. **DO YOU FIND THIS TO BE AN INVITING FORM OF EMPHASIS?**

Or do you prefer this?

Well, there you have it.
